

YOU HAVE TRIED THE REST...

NOW TRY THE BEST!!

DRY EYE DOCTOR Eye Lid Hygiene Therapy

PREMIUM MOIST HEAT
DRY EYE COMPRESS
TREATMENT KIT

MORE ECONOMICAL
ESSENTIAL COMPRESS

Why is our Premium Compress the BEST AVAILABLE?

- Made with soft, comfortable Anti-Microbial fabric
- Designed & Shaped to fit any face comfortably
- Removable cover for easy machine washing & drying
- Only compress that can be heated in a microwave or oven
- Can also be used for Cold Therapy
- Independent study shows the Premium Compress has the best retention of heat at the proper temperature
- 20 to 30 seconds in a microwave gives 10 to 12 minutes of soothing moist heat
- Sturdy storage pouch and Lid Wipes included
- Not available in retail stores, only through the doctor's office
- Compress can be used over and over, guaranteed 1 year
